

# *Children's room cleaning plan*

## **DECLUTTERING & ORGANIZING**

- collect all toys scattered around the house
- remove all toys that don't belong to the child from his/her room
- sort out all toys- get rid of those that your child is too old to play with, don't like, or with missing pieces
- organize toys by category: animals, doll clothes, puzzles, cars, etc.
- sort out all books that are torn, not age appropriate, etc.
- sort out all clothes; get rid of all that are torn, too small, damaged, etc.
- organize clothes by category: underwear, t-shirts, pullover, pants, etc.  
(don't forget to pair up the socks and get rid of the ones without a pair)

**TIPS:** To improve the visual look of the closet use the same hangers and put clothes like underwear, t-shirts, swimming suits into a boxes- fold them and storage horizontally  
Organize toys by category and storage them in labeled boxes/baskets .
